METAL

HELLO
COLOR

Gun

This is the top panel of a three-part abstract artwork. It features a dark, charcoal-colored background with subtle, horizontal, wavy textures. The overall effect is one of depth and shadow.

Silver

This is the middle panel of the artwork. It is a light, off-white or pale grey color with a fine, grainy texture. A faint, horizontal, wavy line runs across the center, creating a sense of movement and light reflection.

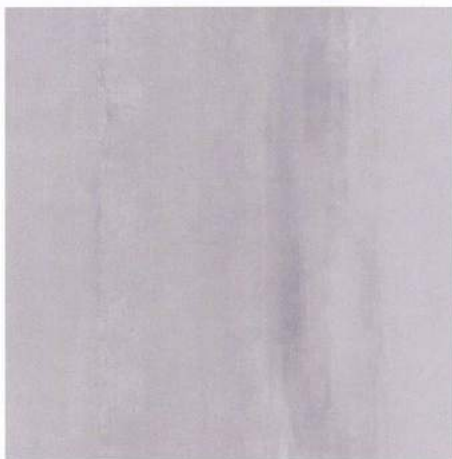

Iron

This is the bottom panel of the artwork. It has a rich, earthy brown or terracotta hue with a textured, slightly mottled appearance. A dark, horizontal, wavy line runs across the lower portion, adding to the layered, geological feel of the composition.
